General Rules and Regulations for the Lakes Park Community Garden

If accepted as a gardener, I will abide by the following rules, terms and conditions:

Once I have been assigned a bed, I promise to devote reasonable amounts of time to its maintenance and improvement throughout the year.

During the year, my bed will not be left uncultivated (fallow or untended) for any period longer than 3 weeks. In the event of my absence, I will make arrangements with the Garden's Seasonal Plots Coordinator.

I will keep all my plants within the limits of my garden bed and will not allow any plants to grow more than six feet high. I will keep my bed and a two foot area around my bed free of weeds, pests and diseases. If a bed has diseased, dead or infested plants, the Garden Committee will remove them.

I will keep paths and surrounding areas clean and neat, and will put trash only in the areas designated specifically for the type of trash. Anything I bring from my home I will take back home. I will not bring household trash and leave it in the Community Garden.

I will not plant any illegal plants. I will not smoke, drink alcoholic beverages, use illegal drugs or gamble in the garden. I will not come to the garden under the influence of alcohol or illegal drugs. I will not bring weapons or pets or other animals to the garden.

Guests and visitors, including children, may enter the garden only if I accompany them. They must follow all rules, terms and conditions stated herein. I will supervise my children at all times when they are in the garden. I am solely responsible for the behavior of my guests.

I will attend regular garden meetings as able. If unable to attend, I will commit to keeping myself informed about the following topics: soil preparation and maintenance, seedling production, watering the vegetable garden and pest and disease control.

I will water my bed according to county guidelines as outlined in vegetable best management practices for Florida.
